INFORMATION

It has better weather resistance, better stability, no collapse risk and no blower noise than others. Also, it doesn't need electrical fan motor which pumps air continuously, thanks to its separate inflate and deflate nozzles, it just needs a few minutes to this task. Moreover, offers big space for branding. Before customizing, remove the TPU inner sleeve. The advantages of these inflatable arches are the compactness for transportation and easy installation. Ideal for sport events, opening of stores or private parties.
